10/26/2019

Athletic Director, Dan Gilmore provided an update on West Campus Facilities. While something is expected to be known in January, the timeline has been repeatedly pushed back.

We also discussed the upcoming events the athletic department is hosting, and how we, as a committee could potentially help promote them

4/11/2019

Dave Naphy, Assistant Athletic Director updated the committee on the status of the investigations in the athletic department. There was one HR investigation that already concluded, and now there is another. The University also hired a consultant to come in to evaluate the department and provide recommendations to the University. The athletic department has faced a lot of scrutiny and has people saying really terrible things about them. Dave also updated us on Student-Athlete Day. 272 students had above a 3.0 cum GPA, and 42 were inducted into the Athletic Honors Society.
