**RE:** Senate Resolution 160205-2

#### **Policy on the Electronic Submission of Coursework during Periods of University Closure**

Faculty increasingly, but not exclusively, accept the submission of coursework via electronic media such as Blackboard, Canvas, e-mail, etc. Doing so has several clear advantages, including the ability of students to submit coursework remotely or during periods of University closure. Faculty members who intend to require students to meet work deadlines via electronic submission, even if such deadlines fall during periods of University closure, should state this expectation explicitly in their syllabi. An exception to this policy would be made for online courses offered through the Rowan Global and Learning Partnerships which have unique calendars and are not affected by University closures.
