- There is no opening date for van reservations. They can be made all year.

Point of Contact

- When making a van reservation, organizations must specify a trip contact person with cell phone number (or other day-of contact information) and billing contact person. The same person may be listed as both the trip and billing contact if applicable.
- Please contact x64540 or email sga@rowan.edu for all reservation inquiries, questions or concerns.

- Anyone under the age of 18 must have their parent/guardian sign a waiver.
- A University employee representing the organization/department must always be in the vehicle with passengers and be in possession of a passenger list and the travel waivers.

Cancellations

Cancellation notification must be given 72 hours before the reservation time. A \$25 fee for the van will be assessed for late or no notification. All cancellations must be submitted to the Office Administrator (856-256-4540 or sga@rowan.edu).

Due to the limited number of vehicles available for reservation, repeated cancellations by an organization may be cause to deny future reservation requests.

If inclement weather threatens the safety of the drivers and passengers on the van, the Office Administrator has the authority to cancel the trip. The department or organization will not be financially liable or compensated. If the department or organization cancels the trip because of weather, with approval of the Office Administrator, there will be no Cancellation fee.

If the van breaks down or experiences other mechanical difficulties within 24 hours of the trip, the department or organization will be compensated the difference to use an outside vendor. If cancellation notice is provided more than 24 hours in advance, no reimbursement will be provided.

Conduct

Rowan University students will be held accountable to the Student Code of Conduct. The reserving organization may be fined and/or lose reservation privileges.

If the van is left messy or not in the same condition as when the passengers arrived, the organization/department must pay a cleaning fee of no less than \$50 up to the actual costs of cleaning/repairs.

The van must be returned in the same condition as it was when it was picked up. Therefore, any alterations to the inside or outside of the van are strictly prohibited. If the van is altered in any manner at all, there will be a \$100 fine assessed as well as any other service fees that come with restoring the vehicle to the original condition. These fines may consist of, but are not limited to, paying auto shop employees their hourly rate for the repair, additional parts, etc.
