Acceptance into the Dietetic masters (between the sophomore and junior year) is competitive and a major and overall GPA of 3.0 is required of students to continue into the M.S. Nutrition and Dietetics degree. To graduate with a B. S. in Nutrition with the Dietetics Specialization, students must maintain a 2.0 overall GPA and a 3.0 GPA in the major. All major courses (M) require a C or better for progression in the major. To maintain status in the Dietetic masters, students must get no lower than a B in all courses and maintain and overall and major GPA of 3.0.
