

Rowan University Students Seeking to Declare/Change Majors

Are you ready to declare a major or minor*? Academic advisors in the University Advising Center (UAC) are available to assist students throughout the university who are seeking guidance as they transition from one college or major to another. The information below will assist you in planning and preparing for your chosen academic program.

Most majors at Rowan University are **unrestricted****. This means that there are no specific requirements for entry and you may declare these majors at any time by visiting the UAC (Savitz Hall, Suite 323) and requesting to complete the Declaration/Change of Major form. Once complete, the form is submitted to the University Registrar's office and is typically processed within 3-5 business days.

To ensure accurate processing, please complete the form in its entirety.

Include **all** current majors, minors, and concentrations that you plan to KEEP or retain on your record under the "Former" **AND** "New" sections of the Change of Major form.

Some majors at Rowan University are **restricted****. This means that they have specific requirements for entry (auditions, coursework, GPA, etc.) and you will need to work with an advisor to plan to apply to these programs. The table below lists current majors that have restrictions to apply.

Major	Departmental Contact	Application Information
Art	David Vaccaro, Program Advisor (856) 256-4091 vaccaro@rowan.edu	There is a portfolio required from all prospective art students. Contact the department for more information.
