Ask OGSS: Mid-Semester & Registration Drop-In Hours

Check in. Plan ahead. Finish strong.

Registration is here, and it's also a great time for a mid-semester check-in! Drop in and connect with the Office of Graduate Student Services (OGSS) if you have questions, need support, or aren't sure where to go for help.

We can assist with general registration questions and navigating the registration process, connect you with financial or academic resources, and help with concerns such as withdrawing from a course, study skills, time management, or planning and applying for graduation.

Planning your courses for next semester? Be sure to connect with your Program Advisor/Coordinator ahead of registration for course selection and program-specific advising.

While OGSS cannot select courses for you, we're happy to help you navigate the registration process and connect you with the right resources along the way!
