HOW TO USE THE SECTION TALLY TO LOCATE COURSES

Click here to access the Rowan University Section Tally. 
(You can also access this report by going to rowan.edu/registrar and then clicking on the “Course Availability” tab on the upper left of the screen.)

Once on the Section Tally report, select the term of interest and then click “Select Term.” It will bring you to a simple search page.

1. Enter any search criteria you would like. Once you have entered your criteria, press ‘Search.’ A list of courses matching your criteria will then pop up at the bottom of the screen.
