Things to Look Forward to

Graduation: Apply during your last semester
Commencement (each May in Glassboro): Celebrate your accomplishment

Rowan Success Network (RSN)

RSN

- RSN is our scheduling system, accessed via your Rowan NetID
- Once you log in, navigate to “My Success Network,” where your advisor should be listed
 - All 3+1 advisors are available for zoom or phone appointments, and most have limited in-person hours as well
- When should you schedule an appointment instead of sending an email?
 - Before you register for classes, you should set-up at least a 30 minute meeting and aim to check in at least once a semester
 - Smaller questions can typically be answered via email, but when in doubt, please schedule with an advisor
