

**FOSTERING AND ADVANCING MENTAL HEALTH
&
EMOTIONAL WELL BEING AMONG STUDENTS OF COLOR**

F.A.M. is a network of Rowan University faculty and staff that fosters and advances the mental health and emotional well-being among self-identified students of color at Rowan University.

Through this network, students will have the opportunity to engage in monthly U Good F.A.M. dialogues, while also having access to mental health liaisons for ongoing guidance, support and referrals to the Wellness Center if needed.
