

## FINAL WEEK ACTIVITY SCHEDULE – Fall 2025

Faculty are encouraged to provide an end-of-course learning experience for every course and to utilize the time set aside during Final Week. Times are provided for every class. "Common examination" times must be approved by Department Chairs and arranged with University Scheduling and can only be offered in the designated **Common examination periods** listed below. If a faculty member does not give a final examination at an officially allotted time during final week, they are required to use that time for instructional purposes. All efforts will be made to schedule once-per-week double period courses on their normal meeting day, and as close to normal meeting time as possible. Evening classes shall meet during finals week in allotted exam times as close to class time as possible for either a final exam or other instructional activity.\*
