More About Simranjit

Having completed my undergraduate and master's degrees at Rowan, and now working on my doctorate here, I have a deep love for our campus community. My interests are all about medicine, science, and supporting women in the STEMM fields. I am so excited to be a part of WAN and look forward to sharing my Rowan journey to help mentor others, bring people together for great conversations, and lift up the next generation of female leaders here.

Campus Involvement: VP for Hematology/Oncology Club, Student Ambassador, CSS Ambassador, Geriatrics Club Member

Volunteer & Community Engagement: Crisis Text Line Volunteer, Geriatrics Club Volunteer and Mentor
