Please Note: In-person attendees may check-in and networking starting at 11:30AM. The program will begin promptly at noon.

Thank you for registering for the “Professional Development Series: Emotional Intelligence” event, hosted by the Women’s Alliance Network at Rowan University! This interactive session is designed to help you strengthen self-awareness, communication, collaboration, and your ability to navigate challenging workplace situations with greater confidence and intention.

Together, we’ll explore how emotional intelligence shapes everyday interactions and how practical changes in self-awareness and communication can strengthen relationships, build trust, and improve effectiveness at work.

Our featured speaker, Julia Beth Rey, Ed.D., is Rowan University’s Director of Advising and Career Exploration. Dr. Rey brings extensive experience in higher education leadership, student success, career advising, and emotional intelligence. During this interactive workshop, she will guide participants through practical strategies for understanding and managing emotions, communicating effectively, navigating difficult conversations, and building stronger workplace relationships.

What to Expect

This will be an engaging, interactive session with opportunities to reflect on your own emotional intelligence, consider real-world workplace scenarios, and explore strategies you can put into practice right away. Whether you supervise others, collaborate across teams, or simply want to communicate more effectively, the session offers tools that can support both personal and professional effectiveness.

Location & Parking:

The Chamberlain Student Center is located on North Campus Drive on the Glassboro Campus Building 9 on [the campus map](#). Those joining us from off-campus will head to the main Welcome Gate located at 1 Memorial Circle, Glassboro, NJ 08028.

Please let the gate guard know you are on campus for the WAN event in Chamberlain Student Center. The gate guard will direct you to guest parking unless you are already acquainted with a better parking situation.

Thank you again for registering for the WAN Professional Development Series: Emotional Intelligence.

We look forward to seeing you on Friday, September 25, 2026!
