**After Hours Care Resources**

Dial 911 for medical emergencies.

If you are not experiencing a medical emergency but want immediate medical assistance you may visit any of the following urgent care facilities. Patients are responsible for either their insurance co-pay or cost of the visit. Private insurance coverage varies, so it is recommended that you verify coverage.

**Urgent Care Facilities** – these are walk-in centers, no appointment needed. Be sure to take any *medical insurance cards*. A payment or co-payment may be required at time of visit.
