Oaks Integrative Care

Mental Health Urgent Care: Early Intervention Services (EISS) for people experiencing a psychiatric emergency prior to going to a crisis screening center for evaluation and connecting to appropriate services. Please call first before visiting our locations.

Camden County: 856-254-3800
Cumberland and Salem County: 856-537-2310

Crisis Screening Camden County: provides screening and stabilization services to adults and youth experiencing a psychiatric emergency. **Call 856-428-HELP** before visiting the screening center.

Coordinated Specialty Care (CSC): CSC provides in-home and in-community coordinated specialty care for young adults ages 15-35 years old experiencing psychotic symptoms for less than 2 years. The overall goal is to reduce the likelihood of long-term disability and help individuals lead productive, independent lives. Services include psychiatric prescribing, case management, supported employment, peer and recovery support, individual/family therapy and linkage to community resources. Counties served: Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Ocean, and Salem. **Call 800-963-3377**

Rutgers University Behavioral Health Care Coordinated Speciality Care/First Episode Psychosis Program: This program services young people ages 15-35 and their families experiencing their first episode of psychosis. We define a "first episode" as within 2 years of experiencing symptoms such as: Hallucinations, Delusions, Disorganized Speech, Thoughts, and/or Behavior. Treatment is tailored to the needs of the client, but generally, components of treatment include: Psychiatric evaluation, Psychoeducation, Individual therapy, Family therapy, Group therapy, Case management, Supported Employment and Education, Treatment for other mental health challenges or substance use, Family support (individual & group), Medication education/management, Peer Support. Our clinic is located within the Rutgers University Behavioral Health Care system. Both of our clinics serve the following counties: Hunterdon, Mercer, Middlesex, Monmouth, Ocean, Somerset, and Union Counties of New Jersey. Our Contact Information:

Rutgers UBHC Edison office: (732) 235-8400
CSC & NJ Promise programs direct number: 732-235-2868; 100 Metroplex Drive, Edison, NJ, 08817

Adult Mobile Outreach: Adult Mobile Outreach helps adults experiencing worsening mental health symptoms. Clinicians are available to meet those individuals in the community who are unwilling or unable to come to one of our hospital-based crisis units. By providing service quickly and in the person's home, Adult Mobile Outreach helps people with mental illness obtain the services they need to stay safe and lead more productive lives.

If you or someone you know is experiencing a crisis, please call our confidential point of entry: (856) 428-4357 (HELP). Important- if at any time you are at imminent risk of harm, please call 911 immediately.

ACENDA

Certified Community Behavioral Health Clinic (CCBHC): For all counties and ages, ACENDA's CCBHC provides individualized care and wrap around services to support the unique needs of each client across the mental health and substance use disorder spectrum. Acenda's CCBHC provides screening, assessment, diagnosis, and linkage to community services for all behavioral health conditions. **(856) 494-8484**

Psychiatric Emergency Screening Services: For Cape May, Gloucester. Psychiatric Emergency Services (PES) is a 24-hour, seven-day-a-week crisis intervention service that offers face-to-face crisis and emergency intervention to individuals who are suicidal, homicidal, or acutely psychotic. PES is not able to assist with prescription renewals, evictions, or non-crisis calls. **(844) 422-3632**
